

Assembling your 3D High Heel Samurai glasses...

1. Cut out frames.
2. Tape together.
3. See page 2 to assemble lenses.

Frames

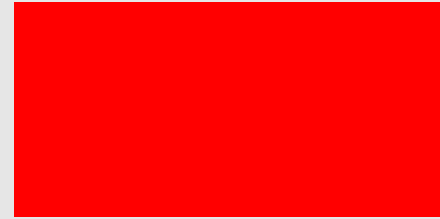

WARNING: Not for extended wear, performing physical activity, driving, outside activity. Not to be used as sunglasses. When assembling, adult supervision is required.

Assembling your 3D High Heel Samurai glasses...

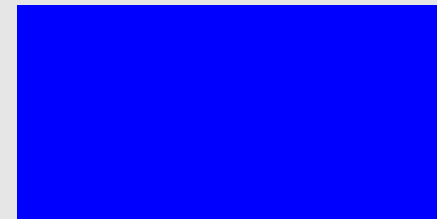

For best results, assemble lenses with blue and red colored cellophane.

4. Print lenses on clear multipurpose transparency film.
5. Cut out lenses.
6. Place the red lens over the left eye, and the blue lens over the right eye.
7. For sharper lenses use colored cellophane
